LOCAL MATTERS.

WEATHER PROBABILITIES.—For this section generally fair to-night and Wednesday; continued warm southerly winds.

RAID AT JACKSON CITY.—Sheriff Palmer, with deputies Graham and Brown, and a posse of others, raided Harry Candler's Jackson City resort last night, and, after destroying everything in sight, brought one man, R. E. Gilmore, to this city.

The officers descended unawares and caught the house in full blast. The cause of the raid was the fact that Candler has been keeping an unlicensed bar at Jackson City, and information to this effect reached the State authorities, who sent Palmer to raid the place.

A large crowd was in the place at 8:30 o'clock when the officers marched up the board walk leading to Candler's place, which is next the bridge. Candler was away and "Mack" Butler was ruling the place.

Several well-known characters were caught, but were released on their own recognizance to appear as witnesses in the case. The work of destruction then began. Kegs of beer were dumped in the street; the gutters ran with whisky and the crowd looked as if they were witnessing a wilful waste.

The bar and fixtures were demolished. Tankards, mugs, mirrors and glasses were smashed into fragments, while everything in sight was destroyed, so that the ruins might stand as a beacon-light to all who tried to defraud the Old Dominion of her just revenue. Three of the men captured are known as Cotton Nelson, Bob and Dick, but Gilmore having assumed responsibility of the whole affair, he only was sent to jail.

The sheriff expected to find only an unlicensed saloon, but to his surprise came upon a gambling resort in full blast at the place. He seized the paraphernalia and arrested a man who gave the name of Gilmore on the charge of maintaining the game. Gilmore was locked up in the jail here. When taken before Justice Lane at 2:30 o'clock this morning he gave his name as Robert Gilmore, and a fine of \$200 and six months in jail was imposed.

POLICE COURT.—The following cases were disposed of this morning:

Joseph Holland, colored, arrested by Officer Deane for assaulting Carrie Miller, colored, was fined \$5.

John Robinson, colored, arrested by Officer Beach for vagrancy, was sent to the chain for thirty days.

Edward Grayson, colored, for refusing to work on the chain gang, was locked up on bread and water.

Three men, arrested by Officers Roberts and Lyles for gambling, were fined \$5 each.

The case of Mrs. George Baier, charged with selling liquor without a license and on Sunday, was continued, a decision in the case being withheld. George Lamb, charged with shooting Sam Lamb, was dismissed, the complainant refusing to prosecute and acknowledging the shooting was done in self-defense.

Martha Thomas, colored, charged with maintaining a nuisance on her premises, was fined \$2.50.

A warrant was issued for the arrest of a man charged with using abusive language toward a policeman while in the discharge of his duty.

Night Report.—Last night was clear and warm. Five prisoners were at the station house.

THE CONGRESSIONAL CONVENTION.—The democratic convention to nominate a candidate for Congress from this district will meet at the Opera House in this city at 12 o'clock on Wednesday of next week and will be called to order by Mr. Leonard Marbury, chairman of the district committee. Who will be the officers of the convention will not be definitely known till the convention meets, as all of the several candidates for the nomination are anxious to secure all the vantage ground possible and to make no enemies—so that far but few promises have been made. No candidate will go into the convention with a sufficient number of delegates to nominate, so "deals" will have to be made and all sorts of combinations are talked of, while even yet some predict that the nominee will be a man who was not before the people for the nomination. The standing of the candidates on the first ballot, it is said, will be as follows: Rixey, McCabe, Willard, Ashton, Anderson, Meredith and Mushbach.

DEATH OF CAPT. TALBOT.—Captain Enoch S. Talbot, former resident of this city, died at Oakland, Cal., on July 22. Capt. Talbot was United States Inspector of Hulls in San Francisco for twelve years. His death resulted from mental and physical prostration, superinduced by overexertion while in a weakened condition. He married a Miss Sophie Bacon, of this city, a sister of Mr. Wm. H. Bacon, and leaves a widow with four children. In his young days he was a seafaring man, and during the war commanded several steamboats which ran between this city and Washington and Baltimore. In 1872 he was appointed to the captaincy of the steamer Express, a position he soon relinquished, after which he became master of a bark which left here for San Francisco. He had resided in California ever since. He was a native of the State of Maine, and was sixty-two years old. Capt. Talbot was a member of Andrew Jackson Lodge of Masons of this city.

BIRTHDAY PARTY.—A number of little-ones gathered at the residence of Mr. R. T. Cook, on Queen street, last night, when a most enjoyable time was had, the occasion being the seventh birthday of Mr. Cook's little son, Master Marshall Jones Cook. There were present Misses Mary Roberts, Effie Roberts, Sallie, Connie and Eva Kaus, Sarah Merchant, Julia Hantmon, Lizzie Rauch, Evelyn Benson, Mary Jackson and sister, Ethel Cook, Viola Mason, Sadie Sullivan, Masters Rogers Sullivan, James Cook, Theodore Cook, John Hughes, Eddie Benson, Charlie Cook and Powell Roberts. The committee heretofore appointed to make an effort to have the Southern Battle Abbey located in this vicinity reported progress. Resolutions of respect to the memory of the late George Washington were adopted.

SALUTE.—The U. S. dispatch boat Dolphin arrived here last night and anchored in the river off this city where she will remain till to-morrow. This morning the U. S. tug Triton brought Assistant Secretary McAdoo from Washington, and as he boarded the Dolphin a salute in his honor was fired. The firing of the cannon attracted a large crowd to the river front. MONETARY AND COMMERCIAL.

NEW YORK, Aug. 4.—The collapse of Moore Brothers of Chicago and its influence on London, and foreign houses were sellers in the local market soon after the opening. In addition to the Chicago suspension much stress was laid on the iron trade and the shutting down of iron and gold mines. These business difficulties, it was argued, would lead to the contraction of credits and high rates for money throughout the country. The morning's developments and the political uncertainty made it comparatively easy for the early trading prices broke 1 to 3½ per cent. Soon after the opening the pressure to sell abated and a rally of ¼ to 2½ per cent. ensued. Toward 11 o'clock speculation became very quiet and the undertone was barely steady.
